Smart & secure cashless payments

Bread4Scrap is one of the UK's leading payment providers.

Make a prepaid card or business payment in minutes via our easy payment platform, with no hidden fees and full Home Office compliance.

- Issue cards or make cashless payments in minutes
- Fully compliant with Home Office regulations
- Easily track payments in our secure portal
- Clear and transparent pricing
- Full integration with FRED5
- Free cardholder customer service and support
- Can be added to Google Pay and Apple Pay digital wallets

Two easy options for fast, secure scrap payments:

Prepaid card:

Load funds onto a prepaid Mastercard. Customers can withdraw funds from an ATM or spend at millions of locations worldwide.

Business transfers:

Make payments directly into customers' bank accounts with no hidden fees and lower transaction costs than your local bank.

Why choose us?

With over 19 years of expertise in payments and now part of the Banking Circle group of companies, B4B Payments is a globally recognised and trusted card issuing and payment services provider.

Choose Bread4Scrap for an easy alternative to cash scrap metal payments and improve customer satisfaction and retention.

Fully integrated with FRED

Allows you to weigh scrap and issue payments from one platform, saving time and money.

Complete and sustainable payment solution

Replacing traditional methods, BACS or cheques, for quick and instant payments.

Secure and compliant

Two-factor authentication login and easy-to-track payments via our portal.
